### Auxiliary Music News By Carol Clark

Last month our Unit presented John Kirkpatrick a memento, thanking him for his faithfulness to our "Reach Out With Music" program at the Arizona State Veteran's Home in Phoenix. We are starting our 3rd year with this program and John hasn't missed once! John works more than one job, plays piano in several venues and still finds time to donate his time to this project. Thank you John! John's birthday was October 9th and the residents from ASVH, along with our volunteers, sang "Happy Birthday."

Let me also say, the program is going great guns. This is due to the members of the Auxiliary and Post who give their time, love and energy to the Veterans. The more volunteers we have, the more individual attention is given to the resident.

The Auxiliary donated 8 books on cassettes to the ASVH in the past 2 months, for which they were very thankful.

## Auxiliary News - President Judy McKenzie

The First Annual American Legion Revue was very successful. The entertainment was enjoyed by all. A thank you to all the volunteers who did a wonderful job and a special thank you to Darr Reid. We gained more than \$1600.00 to be used for Post improvements and the Children's Miracle Network.

We will be having a raffle starting in November to benefit the District 12 Special Project for the year. The K9 Forces are trained rescue dogs supported by grants and donation. They need funds for food, kennels, and training. The drawing will be Friday, December 20th at 6:00. Buy your tickets and support this worthy cause.

If you are interested in renewing your Poppy Plate for the New Year, please drop your donation off at the Post. If you would like to purchase a new one please contact me at the Post or call me at 480-585-8690. All donations benefit our Veterans.

The Auxiliary is always looking for new ideas and volunteer. Call me if you have an interest to help.
